

I am
eTrustMoney.
I'm not a
Company.

I'm a Smart Contract, Decentralized in Ethereum Block Chain
whose function is entirely automated.

You can Trust me and be stress free from Scams.

I can never be hacked.

If you buy me you can run your own online business.

I will make you earn Ether through 5 different income sources
as explained below

I'll release your earning instantly into your Ethereum Wallet.

#1 Referral Income

Buy Price
0.14 ETH

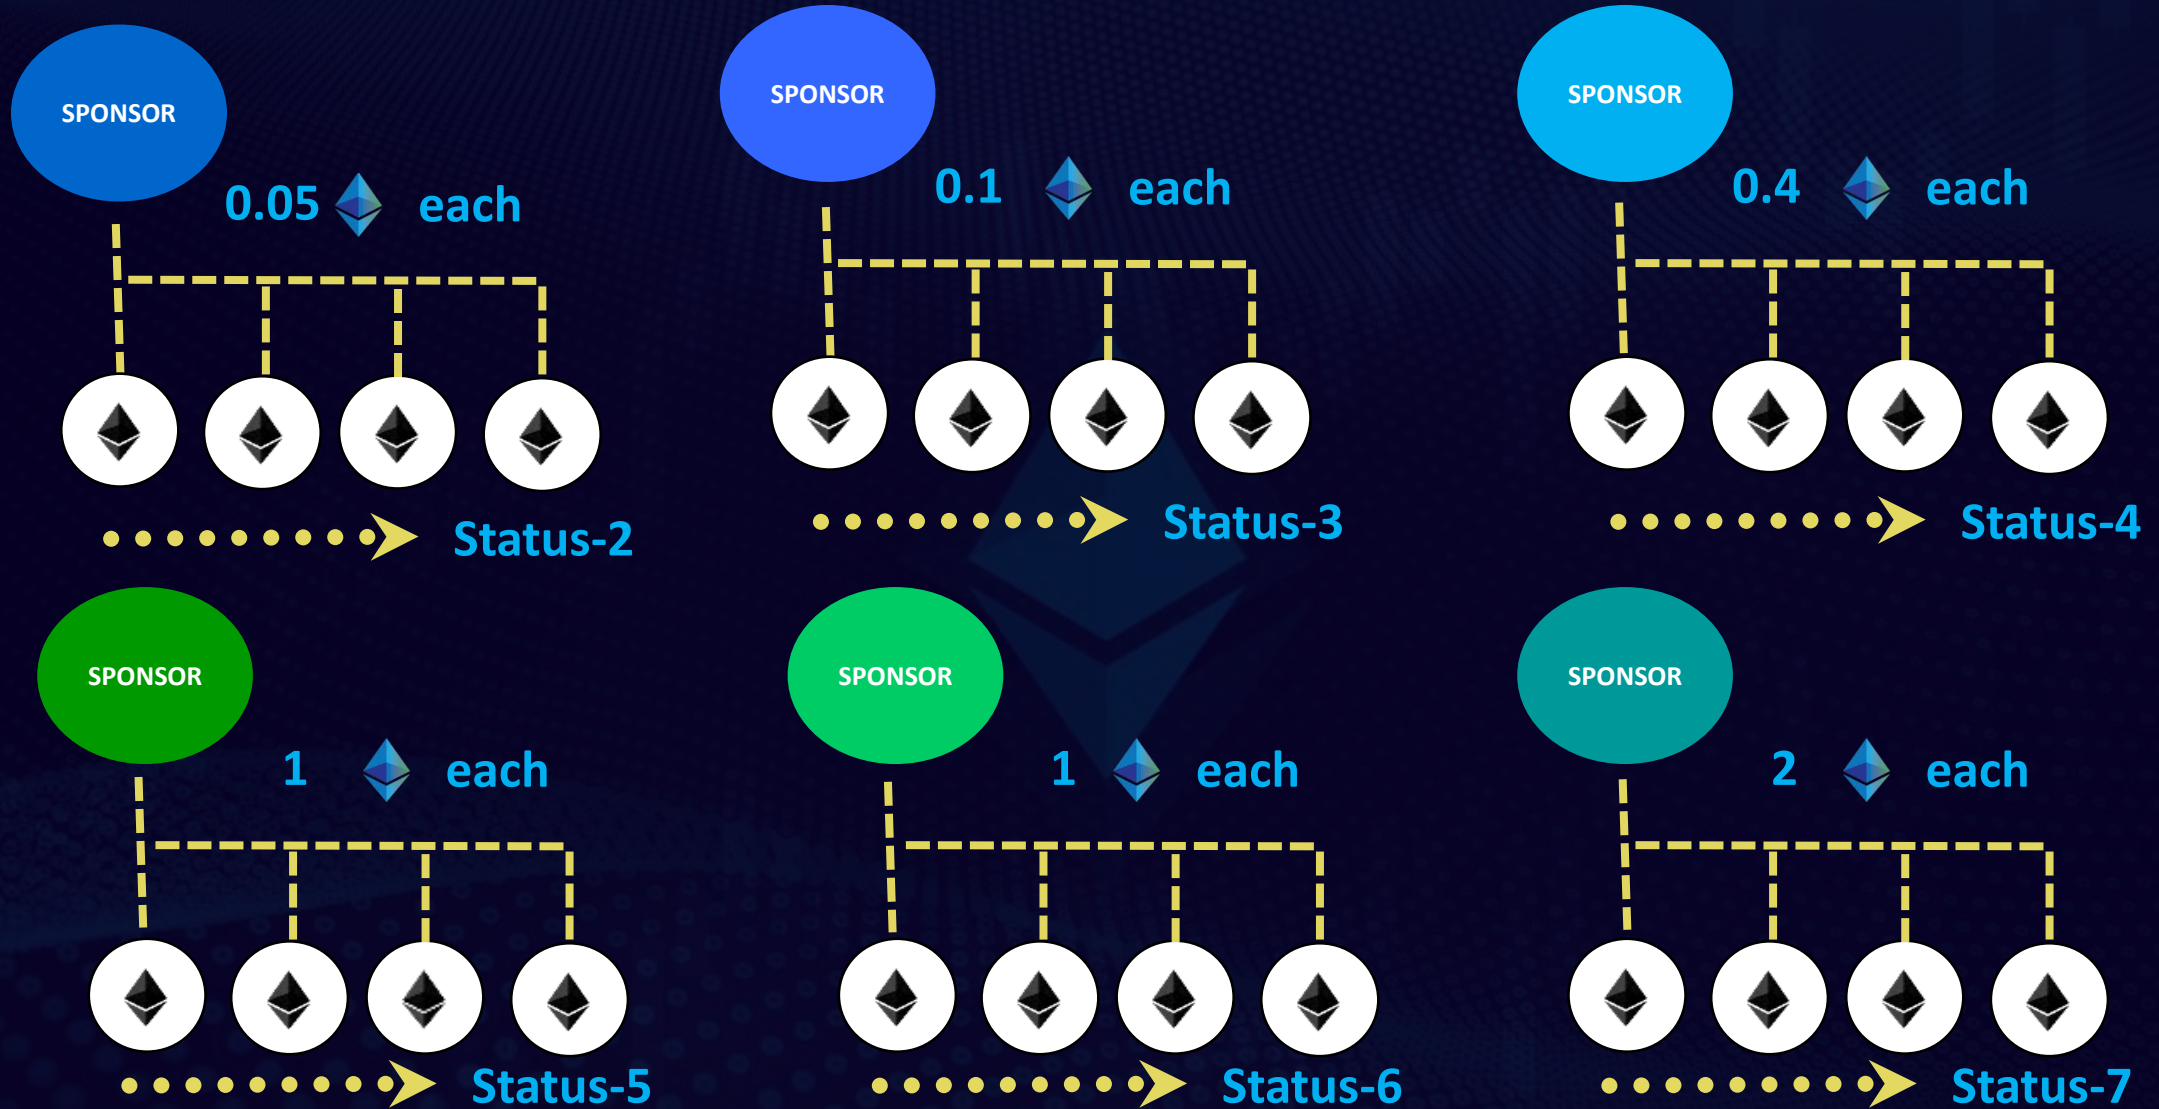

You will get referral income from your direct new partners registered in your downstream structure

Downstream partner's commissions will be paid instantly to your ETH wallet automatically.

#2 Leadership Bonus for Sponsors

When Your Direct Referrals upgrade their Respective Status, you will get Leadership Bonus from unlimited depth.

Total Leadership Bonus per Partner : 4.55 Ether, if you refer 10 Partners you will get : 45.5 Ether

3.1 Level Income on STATUS-2

When partners placed in your 1st Level to 4th Level upgrade their Status-2, you will get Level Income on this Status.

3.2 Level Income on STATUS-3

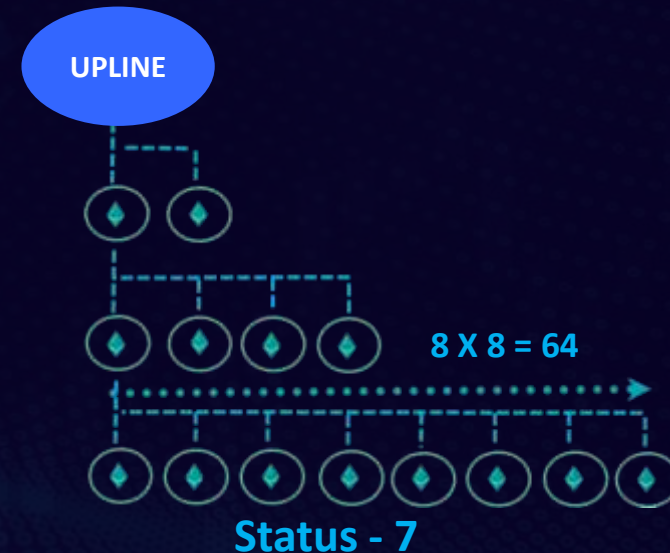

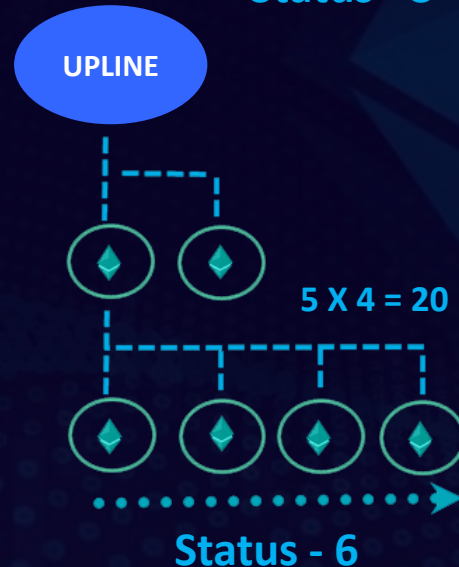

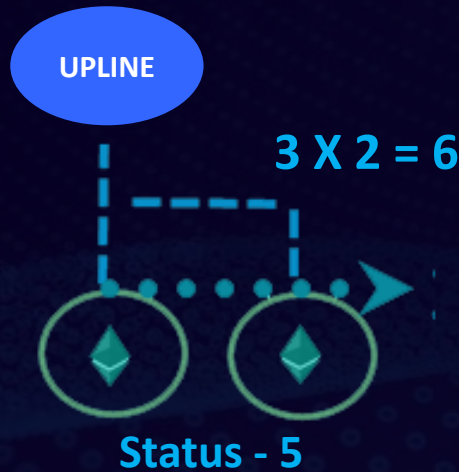

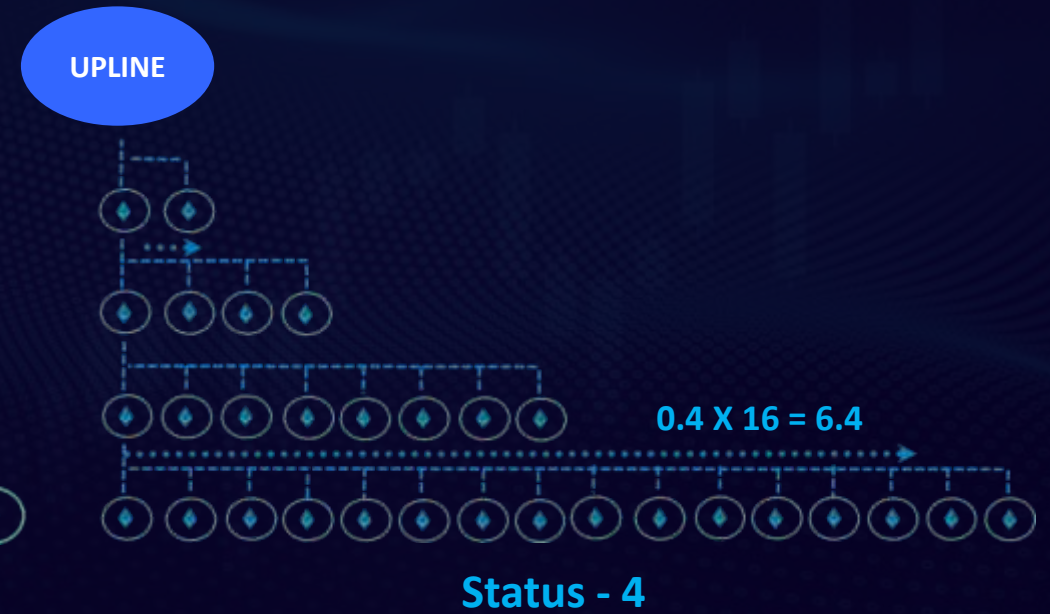

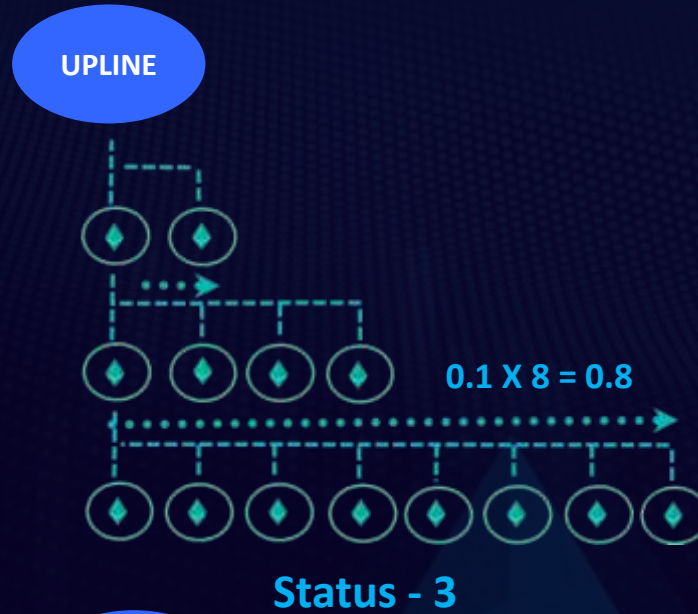

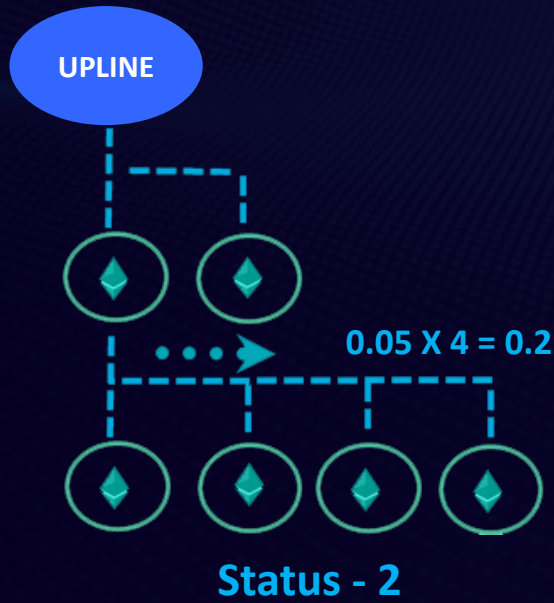

When partners placed in your 1st Level to 4th Level upgrade their Status-3, you will get Level Income on this Status.

3.3 Level Income on STATUS-4

When partners placed in your 1st Level to 4th Level upgrade their Status-4, you will get Level Income on this Status.

#4 Level Contribution Income

When partners placed in your 2nd Level to 4th Level upgrade their respective Status you will get Level Contribution Income. But your Status should be equal to or higher than the Status of their upgradation.

#5 Auto Pool Income

A share distribution from Global Business, will be applicable from STATUS-2 onwards in five installations .

STATUS - 2
